Dear Sir or Madam,

We would like to invite you to take part in the annual Dockland Settlements Charity Golf Day which will take place at Hadley Wood Golf Club on Monday 5<sup>th</sup> June 2017. We are looking for teams of four players, individual players, sponsors' of holes on the course and donations for the raffle and auction to help make the event as successful as possible.

Hadley Wood Golf Club is a superb course just 11 miles from Central London and was previously used as an Open Regional Qualifier for the South of England. The course is both challenging and enjoyable and we promise you will be tested playing 6,517 yards from the back tees on a par 72.

The day will include a ploughman's brunch served at 11am followed by an 18-hole four-ball-better-ball shotgun-start tournament. In the evening you will be invited to enjoy a three-course meal along with prizes, an auction and raffle with all proceeds going directly to the Dockland Settlements Charity.

The Dockland Settlements continue to provide care and support to some of East London's most deprived populations through our community centres in Stratford and Rotherhithe. Every year the Dockland Settlements Golf Day helps raise a considerable amount of unrestricted funding which is essential for the charity to continue its good work in London.

Kind Regards,

Lorraine Cavanagh OBE
